

## Bicycle and Pedestrian Task Force Agenda

1:00 p.m., Wednesday, September 27, 2017

DuPage County Conference Room  
233 S. Wacker Drive, Suite 800, Sears Tower  
Chicago, Illinois

- 1.0 **Call to Order and Introductions** 1:00 p.m.  
Tom Rickert, Chairman
- 2.0 **Approval of Meeting Notes from March 15, 2016**  
Meeting notes are posted at <http://www.cmap.illinois.gov/bikeped/minutes.aspx>  
SUGGESTED ACTION: *Approval of meeting notes*
- 3.0 **Pedestrian and Bicycle Project Programming and Policy**
- 3.1 **ON TO 2050 – Preview Report**  
The ON TO 2050 Preview Report, which was available for public comment from June 19–August 3, introduces the three proposed cross-cutting principles for ON TO 2050 as well as its preliminary major recommendations. Staff will review the report, its recommendations, and the changes made based on public and committee comments. The CMAP Board and MPO Policy Committee will vote to approve the Preview Report at their October meetings.  
SUGGESTED ACTION: *Information and discussion*
- 3.2 **ON TO 2050 – Summary of Alternative Futures Outreach**  
Beginning in April, CMAP outreach staff has conducted extensive engagement centered around five “Alternative Futures” for the region. The intent was both to educate the public about the types of issues the region must address through 2050 and to generate feedback on potential strategies. Outreach staff will provide an initial summary of feedback collected through workshops, kiosks, and online engagement. The presentation will begin with a 2-minute video on “Walkable Communities,” one of the Alternative Futures. Videos for all five Alternative Futures were created to explain the concepts being addressed and to initiate discussion.  
SUGGESTED ACTION: *Information and discussion*
- 3.3 **ON TO 2050 – Strategy Paper: Emerging Transportation Technologies**  
Improvements in technology have the potential to significantly change the region’s transportation system. CMAP staff has drafted a transportation technology strategy paper building on the work of consultants (Cambridge Systematics) retained by CMAP to determine key emerging technologies

and the most likely impacts of these technologies. Staff will present on the Strategy Paper and the major strategies identified in it.

SUGGESTED ACTION: *Information and discussion*

#### 4.0 Local and Regional Planning

##### 4.1 Ride Illinois – Recent Projects, Programs, and Initiatives

Ed Barsotti, Chief Programs Officer of Ride Illinois, will present on his review of 215 upcoming IDOT projects, with a sampling of the bike-friendly design features requested. He will also mention Ride Illinois' recently-signed HB1784 state legislation and a traffic safety grant to proliferate the use of BikeSafetyQuiz.com.

SUGGESTED ACTION: *Information and discussion*

##### 4.2 The Big Jump and eBikes and Infrastructure (Emerging Concerns)

Randy Neufeld, of SRAM, Corp. and People for Bikes, will present on the Big Jump Project, which continues the momentum of the Green Lane Project, to help select cities reimagine their bicycling infrastructure to provide for significantly improved conditions for cycling by people of varying skill and experience levels. Mr. Neufeld will also provide an overview of recent developments concerning eBikes, their regulation, and infrastructure designed for them.

SUGGESTED ACTION: *Information and discussion*

##### 5.0 Project Updates

Implementing agencies are invited to provide a brief update regarding the status of programmed projects. Staff is requesting information on recently let projects, completed projects, and project delays that may need attention by CMAP staff.

SUGGESTED ACTION: *Information, discussion, and referral to staff*

##### 6.0 Public Comment, Announcements, and Other Business

This is an opportunity for comments from members of the audience. The amount of time available to speak will be at the chair's discretion.
